HOMEWORK #4: Graphical Representations

This homework is due by midnight on Thursday, September 16, 2004. NO LATE HOMEWORK WILL BE ACCEPTED.

1. Read Appendix B and Chapter 4.
   - For Problem 4.1, assume the input names are r1 and a2, and that the output names are a1 and r2.
   - QUESTION: does the BM state machine satisfy the maximal set property? If not, why not?
3. Complete Problem 4.2. Be sure to explain your answer.
5. Complete Problem 4.8.
